

Governors' Network Meetings 22/23

The purpose of this network is for maths link Governors to have a shared understanding of the role of Maths Hubs, and for link governors for maths in the region to develop effective strategic collaborative working in order to address new challenges and shape strategic plans for the overall support for maths education in the region.

- **What is Teaching for Mastery?**
- **Share case studies – learn about successful schools in the region and their journeys in teaching for mastery**
- **How can the Maths Hubs Programme support the teaching and learning of maths in your schools**
- **Support in your role as link Governor for maths**

Dates:

Tuesday 21 February 2023 - 3:45pm - 4:45pm - Online
Tuesday 14th March 2023 - 9am - 11am - Elmhurst Primary
Wednesday 7th June 2023 - 3:45pm - 4:45pm Online
