

Waltham Forest Primary Maths Leads

Network Meetings 2022/23

This Primary mathematics network will support Maths Leads to strengthen colleagues' subject knowledge and pedagogy when delivering the national curriculum and provide materials to support planning and assessment.

What to expect from the meetings:

- Updates on recent local and national developments and discussion of how to effect change in your school.
- Discussion of the National Curriculum and how to be prepared to deliver Inset focused on this to colleagues
- Reflection on the skills of subject leadership including procedures for monitoring, tracking and evaluating mathematics progress
