

# MATHS LEADERSHIP PROGRAMMES AVAILABLE FOR 2024-25

Fully funded  
including  
release time

At the London North East Maths Hub, we have a thriving professional network of Local Leaders of Maths Education (LLME). We are looking to **identify new leaders** for 2024-25. If you are a maths lead and looking to expand your breadth of experience, we have **fully funded** opportunities in EY, primary, secondary, and Post 16 maths leadership.

The Maths Hubs Programme is DfE funded and led by the NCETM. We bring together mathematics education professionals in a collaborative national network of 40 Hubs, each locally led by an outstanding school or college, to develop and spread excellent practice, for the benefit of all pupils and students.

**Application Deadline - 28th March 2024**
